

What's New & Beachy Keen at SG&M? (May 12, 2009)

Even though our Michigan weather can't make up its mind... (hot, cold, rainy, sunny)... we think it is time for bright cheery colors & fun scrapbooking!

We have received the newest Summer release from **My Mind's Eye: *Breaking Free***,,, You'll see it as soon as you walk in our store! Flip-flops, ice cream & surfer dudes - all waiting for your pictures!

Be sure to come to our own **Beach Party** -- and create this one-of-a-kind **Beach Word Album!** Surf, sand & sunny memories are the perfect additions to this album... We used Bo Bunny's Beachy Keen paper & embellishments... Stop in to see the finished album & sign up for the class! *Saturday, May 23: 10:30am - 1pm; \$25*

**** Bling It On!!!!**

Basic Grey has entered into the Bling Bonanza... and we are very glad!! Unique & high quality bling - from dots & pearls to Butterflies & cupcakes... this bling will add a little somethin'-somethin' to your page or card! *And they are only \$1.79 each!*

**** Best Creations**

They have done it again!!! They had the best **Easter** & **St. Patrick's** paper this year (in our opinion..) - two-sided glittered paper, very happy bunnies .. You have got to see their brand new Patriotic/ **Red White & Blue** paper.... Great for Memorial Day, Flag Day, and of course, July 4! This Paper is so new I can't even find a picture for you... so you'll have to come see it at SG&M!
